

Rule 5.1.14 Credit for Performance of Community Service

Penal Code Section 1209.5 requires that trial courts set the hourly rate of community service credit to be double the minimum wage set for the applicable calendar year, based on the schedule as set forth in California Labor Code Section 1182.12. ~~California minimum wages are set to increase each year through 2023. Accordingly, the amount of fine credit for each hour of service completed is now set at \$30 dollars per hour.~~
