

Bicycle Traffic School

Did you receive a ticket while on a bicycle? This information is for you!

Bicycle Traffic School (BTS) is for cyclists that have been given a ticket for a traffic citation while riding a bike. BTS gives cyclists a *one-time* option of attending a two-hour bicycle safety class for a fee of \$35 **instead of paying the violation fine**. A court order to attend BTS must be granted by the Traffic Court Judge.

In order to participate in BTS you must:

1. Appear in traffic court on your scheduled court date and ask the judge for a court order to attend Bicycle Traffic School.
2. Obtain a BTS registration form from the court clerk.
3. Follow the instructions on the form for paying the \$35 fee.
4. Register for a class within 30 days of your court referral date.
